

2026 Utah First Credit Union Board of Directors Candidate Statements

Jennifer Sefakis

It has been an honor to serve on the Utah First Credit Union Board of Directors for the past four terms, and I am seeking re-election to continue supporting the credit union's mission to be significant in the lives of our members.

During my tenure, I have approached every decision with preparation, thoughtfulness, and a focus on what best serves our members' interests. I take this responsibility seriously, ensuring that the policies and direction we set as a board strengthen the financial well-being and trust of our member community.

If re-elected, I will continue to bring diligence, transparency, and a member-first mindset to every discussion and decision. I am committed to supporting Utah First Credit Union's continued growth, innovation, and dedication to exceptional member service.

A little about me:

I am a long-time marketing and public relations professional and have been able to bring that expertise to my role on the Board. Over the past several years, Utah First has experienced incredible growth, and many of our marketing and brand initiatives have evolved alongside it. Having a background in marketing and customer experience allows me to provide a valuable perspective on how we connect with and serve our members. I've lived in Utah for 20 years and am proud to contribute to a credit union that plays such an important role in our community and for our members.
